

# MarketsandMarkets to Host Next-Gen Immuno Oncology Conference in Frankfurt, Germany, on October 5th - 6th, 2023

*Over the past 6 years, Marketsandmarkets Next-Gen Immuno-Oncology conference has become the leading annual meeting focusing on the next wave of biotherapeutics*

FRANKFURT, HESSE, GERMANY, May 17, 2023 /EINPresswire.com/ --

MarketsandMarkets is excited to announce the dates and location of its forthcoming [Next-Gen Immuno Oncology Conference](#), which will be held in Frankfurt, Germany, on October 5 and 6, 2023. This conference will provide a forum for the discussion of new developments in the field of immuno-oncology.

The Next-Gen Immuno Oncology Conference will bring together renowned experts, researchers, scientists, oncologists, biotechnology professionals, pharmaceutical industry leaders, and representatives from around the world. Over two days, the conference will feature a series of insightful presentations, interactive panel discussions, case studies, one-on-one meetings and networking sessions.

This conference aims to explore the latest advancements, trends, and breakthroughs in immuno-oncology, which has revolutionized cancer treatment by harnessing the power of the immune system to combat cancer. Attendees will have the opportunity to gain in-depth knowledge about cutting-edge research, clinical trials, personalized medicine, immunotherapies, [biomarkers](#), and emerging technologies in the field.

□□□□□□□□□□□□□ □□□□□□□□: The conference will cover a wide range of topics, including immune checkpoint inhibitors, CAR-T cell therapies, cancer vaccines, immune system modulators, combination therapies, precision medicine, and predictive biomarkers. Attendees can expect insightful presentations, case studies, and discussions led by industry experts.

**Engage in interactive panel discussions:** Engage in interactive panel discussions on key challenges and opportunities in immuno-oncology, regulatory considerations, commercialization strategies, and future trends. Gain valuable insights from thought leaders and participate in Q&A sessions.

**Connect with industry peers:** Connect with industry peers, potential collaborators, and thought leaders during dedicated networking breaks. Expand your professional network, foster collaborations, and exchange ideas with like-minded professionals.

**Researcher and scientist showcase:** Researchers and scientists will have the opportunity to showcase their latest research findings through poster presentations. This platform encourages knowledge sharing and provides an avenue for attendees to learn about ground-breaking studies and engage in fruitful discussions.

**Exhibition area:** Explore the exhibition area featuring leading companies, organizations, and solution providers showcasing their innovative products, technologies, and services in the field of immuno-oncology. Discover the most recent developments and consider possible partnerships.

The Next-Gen Immuno Oncology Conference is expected to attract over 500 participants from around the world, including top-level executives, decision-makers, and experts from the biotech, pharmaceutical, and academic sectors. The conference will provide a unique opportunity for participants to learn from and network with the leading experts in the field, as well as to explore the latest advancements in immuno-oncology.

Registration for the Next-Gen Immuno Oncology Conference is now open. Early-bird registration of 20% is available until 31st August 2023.

**Don't miss out!**
