This prestigious scholarship is awarded to outstanding students who demonstrate exceptional skills, academic excellence, and a passion for the fields related or similar to online marketing.

Michael Buffington, a dedicated and talented Pensacola State College student, has been selected among numerous applicants for his outstanding achievements and contributions to the related industry. His remarkable accomplishments, combined with his commitment to excellence, make him a deserving recipient of this esteemed scholarship.

Throughout his academic journey, Michael has exhibited exceptional leadership qualities and a strong commitment to excellence. His innovative thinking and strategic approach to marketing have impressed both his professors and industry professionals. His insightful contributions during class discussions and his ability to apply theoretical concepts to real-world scenarios have set him apart from his peers.

Michael's passion for computers extends beyond the classroom. He has actively sought out opportunities to gain practical experience and expand his knowledge in the field. Through

internships and volunteer work, he has worked with various organizations, helping them develop effective strategies and achieve their objectives. His dedication and drive have earned him recognition from both his colleagues and industry professionals.

Upon learning about his selection for the Fall 2023 OverPower Marketing Scholarship, Michael expressed his gratitude and excitement. "I am truly honored to be chosen as the recipient of this prestigious scholarship. This recognition means a lot to me and serves as a testament to my hard work and dedication to these fields. I am eager to continue my education and contribute to the ever-evolving world in these fields," said Michael.
