and focus on improving the health and wellness of people in their local communities and also nationally. These leading experts are often featured on podcasts, webinars, and in the media. Many also host in-person patient education events and are featured speakers throughout the United States. It's important for patients to trust that their healthcare provider is an expert and our 2023 award winners have shown themselves to be leaders in their field."

Throughout his career, Dr. Mark Lowney has demonstrated

exceptional dedication to his patients' well-being. His approach to women's anti-aging and sexual wellness combines compassion, expertise, and a strong emphasis on patient education. By actively engaging with his patients, he ensures that they understand their conditions, treatment options, and preventive measures, empowering them to make informed decisions about their health.

"Receiving the Healthcare Impact Award is an immense honor, and I am grateful for this recognition," said Dr. Lowney. "My goal has always been to provide my patients with the highest quality of care while prioritizing their awareness of the latest advancements in treatment that may benefit their unique health challenges. By fostering a collaborative environment and providing them with the knowledge they need, I believe we can make a lasting impact on their lives and the community as a whole."

Dr. Lowney's dedication to patient education extends beyond the walls of his practice. He has actively engaged in various community outreach programs, delivering educational seminars and workshops to raise awareness about women's health conditions. By sharing his expertise with both healthcare professionals and the general public, he has contributed significantly to the overall well-being of women in Fall River and beyond.
