

# Highlights from the Round Up News Magazine - May 18, 2023

*The latest news and trends for the construction, building and design community*

SUNDRE, ALBERTA, CANADA, May 18, 2023 /EINPresswire.com/ --

Construction Links Network is a unique news platform where members "Get More Eyes" on their digital content and increasing their SEO.

The network includes thousands of Canadian construction managers, contractors, developers, building managers, property managers, architects, designers, engineers, government officials and more.

Members use this platform to share and onboard their digital content on the Internet, through social media and our popular Round Up News Magazine. Ideal for product / service releases, company announcements, blogs, podcasts, webinars, case studies, videos and more.

Top news this week has CMHC reporting that Canadian Housing starts increased 22% in April. The Vancouver, Toronto, and Montreal markets all recorded an increase in total housing starts, with Vancouver up 36%, Toronto up 54%, and Montreal up 43%. Both Toronto and Montreal recorded declines in single-detached starts that were offset by large increases in multi-unit starts, while Vancouver posted increases in both segments.

The top video is courtesy of Civil Mentors who discuss the pros and cons of concrete and asphalt roads.

Content shares from members this week include:

- OnTraccr Technologies - [Building Better with Advanced Building Materials: Tips and Trends](#)
- tcgpr - Agincourt Mall Redevelopment in Scarborough Advancing According to Plan
