

Experience CityHealth's Renovated Offices and Patient-First Healthcare in San Leandro

Top provider of patient-first healthcare is now accepting new patients for Urgent Care, Primary Care & Dermatology at their new office in San Leandro

OAKLAND, CALIFORNIA, UNITED STATES, May 19, 2023

/EINPresswire.com/ -- CityHealth, a top provider of patient-first healthcare, is now accepting new patients for Urgent Care, Primary Care, and Dermatology at their new office in San Leandro. Located at 201 Dolores Ave, the brand new, fully renovated facility has ample parking and a modern floor plan designed for comfort.

Sean Parkin, CEO and Founder of CityHealth, said, "We opened CityHealth in 2016 as an urgent care on a mission to redefine the patient

experience. I'm proud to announce the opening of our new location in downtown San Leandro, which will offer primary care, urgent care, and dermatology services."

In addition to same-day and walk-in urgent care appointments, the patient-first healthcare provider will continue to offer personalized, convenient, and high-quality medical services in a warm and caring environment. Experience the beautiful offices, comfortable waiting rooms, cheerful service and compassionate care for yourself!

On May 19th CityHealth will welcome all for a grand opening celebration. Held from 4-7 pm, the event will allow guests to meet their friendly team, explore the beautiful facility, and enjoy light refreshments.

Dr. Barbara Kilian, Chief Medical Officer of CityHealth, added, "We focus on empowering patients in their healthcare journey. Our new San Leandro facility will allow us to continue delivering personalized patient care in a state-of-the-art facility."
