

Reactiv SUITE 3.0 Helps Presenters Create Immersive Remote Meeting Experiences That Boost Engagement by 250%

TORONTO, ONTARIO, CANADA, May 18, 2023 /EINPresswire.com/ -- A study conducted by Zoom (<https://blog.zoom.us/benefits-of-video-report/>) found that when people can see each other in virtual meetings, they feel more connected, it improves communication, and they're more interested and engaged in the conversation. Research has shown video represents over 75% of Engagement in remote meetings. [Take a look at this video](#) and see the power of video in remote meetings.

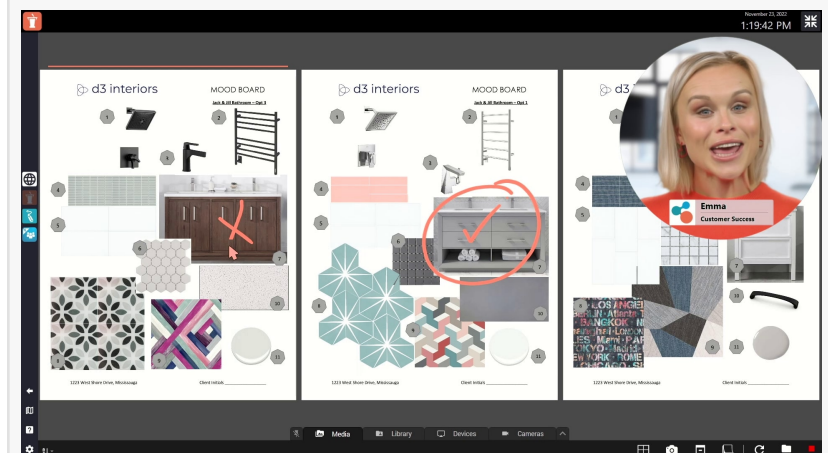

Vizetto, a leading provider of innovative digital communication solutions, launches Reactiv Suite, providing an unrivalled ability to captivate audiences and make virtual presentations come alive with a unique, dynamic solution.

The app has been tested over 70,000 hours with thousands of users worldwide, and the results have been overwhelmingly positive. According to Vizetto, presenters using Reactiv SUITE have seen a minimum of 250% increase in engagement compared to traditional remote presentations based on surveys taken during presentations with and without Reactiv SUITE.

A high-quality video that connects the presenter to their content provides the following business benefits:

Create an immersive sales meeting experience on Zoom\Teams
