Onyx Achieves SOC2 Type II Compliance

SOC2 Type 2 certification is testament to Onyx's commitment to the security and integrity of the health data the company is entrusted with by Onyx's clients.

DALY CITY, CA, USA, May 18, 2023 /EINPresswire.com/ -- Onyx has achieved SOC 2 Type II compliance in accordance with American Institute of Certified Public Accountants (AICPA) standards for SOC for Service Organizations also known as SSAE 18. Achieving this standard with an unqualified opinion serves as third-party industry validation that Onyx provides enterprise-level security for customer's data secured in the Onyx System.

Onyx provides the award-winning Managed Interoperability Compliance Service for Health Plans and Health Information Exchanges. Prescient Assurance , a leader in security and compliance attestation for B2B, SAAS companies worldwide, audited Onyx.

> Achieving the SOC2 Type II compliance demonstrates Onyx's total commitment to serving our clients and maintaining the security and integrity of the data they have entrusted to us"
> *Ankit Agarwal, Director of Service Delivery, Onyx*

An unqualified opinion on a SOC 2 Type II audit report demonstrates to Onyx's current and future customers that they manage their data with the highest standard of security and compliance.

"Achieving SOC2 Type 2 compliance demonstrates Onyx's total commitment to serving our clients and maintaining the security and integrity of the data they have entrusted to us", said Ankit Agarwal, Director of Service Delivery.
