

Briley & Baxter Publications Announces Release of Underwater Adventure, “Seas the Day,” and its Coloring Book Companion

PLYMOUTH, MA, USA, May 19, 2023

[/EINPresswire.com/](https://www.einpresswire.com/) -- Briley & Baxter Publications is excited to announce the release of author and illustrator Dani Ruth Romero’s “Seas the Day,” an inspirational children’s tale of a tiny turtle who learns an important lesson about God’s love. The children’s book and its coloring book companion will be released to the public May 23, 2023 and are currently available for online pre-orders.

“Seas the Day” introduces young readers to Timmy Tortuga, who is a content little turtle until the day he gets bullied over his old bike. When Timmy begins to question why he can’t have nice things like the other turtles, his mother takes him on an undersea adventure to help him “seas” the day.

“In a culture where we tend to compare our lifestyles and material possessions to those around us, I was inspired to create a picture book that could teach children how to live in contentment and praise God for the daily treasures of living with Him,” said Romero. “This story will inspire young hearts to discover the priceless joy He provides when you ‘seas the day’ with praise.”

“Seas the Day” and its coloring book companion are the third set of books in Romero’s inspirational “Wonderful World” series, which also includes “Poems of Praise & Wonder,” and “Poems of God’s Loving Promises.” Romero, a self-taught artist, includes more than 40 scripture-inspired and ocean-themed illustrations in the “Seas the Day” coloring book, which is designed to be enjoyed by all ages.
