

# UV GULLAS COLLEGE OF MEDICINE: LEADING THE WAY AS PHILIPPINES GOVT FULFILS ALL NMC GAZETTE CRITERIA

*Igniting Medical Careers with Unmatched Education, Research, and Global Opportunities: and the Advantages of UV Gullas College of Medicine in the Philippines*

CHENNAI, TAMIL NADU, INDIA, May 19, 2023 /EINPresswire.com/ --

UV GULLAS COLLEGE OF MEDICINE  
ALIGNED WITH CHED ACCEPTS NORMS  
OF NMC

[UV Gullas College of Medicine](#)

[Philippines is paving](#) the way for higher education in medical studies by announcing the acceptance of Norms of NMC (National Medical Commission) passed on 18th Nov 2021 into their programs and curriculum. The college

has aligned their programs with CHED (Commission on Higher Education) and is now opening its doors to aspiring medical students for the 2023-2024 academic year.

UV Gullas College of Medicine Logo

UV Gullas College of Medicine (UVGCM) is the first and only medical school in the Visayas region that is fully compliant with the CHED and NMC standards. In order to meet the NMC guidelines, the college has upgraded the quality of their educational programs, modernized their teaching and research facilities, expanded their clinical training sites, and strengthened their faculty and administrative teams.

The College has implemented a number of new measures in order to provide their students with the best education possible. These measures include the adoption of a comprehensive curriculum, comprehensive assessment examinations, and a score-based evaluation system. In

addition, the college has incorporated various mentorship programs and hands-on training opportunities to ensure that their students are well-prepared for the medical profession.

UV Gullas College of Medicine is committed to providing its students with the best quality of education, medical training, and research opportunities. With its commitment to excellence and its commitment to providing a higher standard of medical education, UVGCM is the perfect choice for aspiring medical students all around the world.

Director of Admissions of UV Gullas College of Medicine Admissions 2021 Suba Ramesh

[UV Gullas College of Medicine takes pride in](#) highlighting the numerous advantages it offers to aspiring medical professionals, solidifying its position as the leading choice for students pursuing a medical education in the Philippines.

“

We are delighted to be at the forefront of medical education in the Philippines and to have met all the criteria outlined in the new NMC gazette which would ease the Process of Indian Students”

*Mrs. Suba "Director of Visayas Education"*

Excellence in Medical Education: UV Gullas College of Medicine boasts a distinguished faculty comprising highly qualified medical professionals, researchers, and educators committed to delivering an exceptional learning experience. The institution's comprehensive curriculum aligns with international standards, equipping students with the necessary knowledge and skills to excel in their medical careers.
