

Repeat Miller & Smith Homebuyer Debbie Mellis Chooses Birchwood at Brambleton for Retirement

Attention to detail sets home builder Miller & Smith apart

ASBURN, VIRGINIA, UNITED STATES, May 19, 2023 /EINPresswire.com/ -- Debbie Mellis, a local resident in Northern Virginia, selected Miller & Smith's latest 55+ community, [Birchwood at Brambleton](#), for her retirement plan. Having previously built homes with three different builders, including Miller & Smith, Mellis found Miller & Smith to be the standout builder that got everything right the first time.

Because of Mellis' affinity to the Miller & Smith brand, her plans to downsize after retirement had to align with one crucial factor – a Miller & Smith home. After researching and contacting the Miller & Smith team multiple times, she singled out Birchwood at Brambleton for its amenities and community feel.

"Their attention to detail is exceptional and sets them apart from other builders," comments Mellis.

She was looking for more than just a home; she was looking for a lifestyle. Birchwood at Brambleton checked all the boxes.

With world-class amenities designed to cater to 55+ Active Adults, Birchwood at Brambleton includes a wide array of amenities – two active adult clubhouses, a health and wellness center, pickleball courts, an indoor golf simulator, indoor and outdoor pools, a gourmet demonstration kitchen, theater room, art studio, greenhouse, and a garden area.

"I am excited to work with Miller & Smith again. The team feels like partners and is genuinely

interested in how buyers feel about the experience," Mellis said.

Mellis' experience as a repeat homebuyer with Miller & Smith and her decision to choose Birchwood at Brambleton is a testament to the quality of the homes and communities that Miller & Smith builds. The community is designed to cater to the 55+ community, focusing on providing residents with a vibrant, active lifestyle. Birchwood at Brambleton is an excellent option for anyone looking for a home and neighborhood that exceeds expectations.

"Miller & Smith is one of the few builders in the 55+ Active Adult segment that offers a home in a considerable size, which is important to me," said Mellis.

Miller & Smith builds four distinctive home types in the community, each designed to meet specific needs and desires. From elevator townhomes to elevator single-family homes and courtyard homes, each floor plan includes features to put this buyer's future forward, keeping them connected to their home even longer.

Birchwood at Brambleton, in Ashburn, Virginia, is a walkable community where everything homeowners want is just steps away, from fabulous amenities, open spaces and trails to shopping and dining. It was named one of Ideal Living's "Best of the Best" Planned Communities in 2020 due to its extensive amenities, including indoor and outdoor pools, game rooms, a yoga studio, a sports court, pickleball courts, a community garden, trails and a fishing pier.
