

BSI and ReadyKey Launch Strategic Partnership to Revolutionize EHS&S Solutions

Collaboration combines industry-leading consulting solutions with world-class mobile app platform

HERNDON, VA, UNITED STATES, May 22, 2023 /EINPresswire.com/ -- BSI, the global standards and business improvement company, and a leading provider of Environmental, Health, Safety, and Sustainability (EHS&S) consulting solutions, and ReadyKey, a mobile app creation platform, have announced a new strategic partnership.

This collaboration has the potential to help organizations in all sectors accelerate progress to a safer and more sustainable future."

Xavier Alcaraz, Managing Principal, BSI

The collaboration will incorporate BSI's global industry expertise with ReadyKey's world-class mobile app offer, delivering a game-changing experience for clients seeking customized solutions. By providing mutual clients the ability to manage EHS on the go, the collaboration offers the opportunity to strengthen business mobility, sustainability and flexibility.

The partnership aims to deliver benefits to clients, including:

1. Streamlined Purchasing Process: Clients can now purchase ReadyKey-powered mobile apps for EHS&S solutions directly through BSI, simplifying the purchasing experience and ensuring seamless integration with BSI consultants who have guided numerous organizations through the process.
2. Expert Collaboration: By combining the BSI's Consulting division's deep expertise in the EHS&S space with ReadyKey's 12+ years of experience in deploying mobile apps to millions of users, clients will have access to top-tier EHS&S solutions powered by a world-class mobile tool.
3. Tailored Solutions: BSI is known for providing customized solutions to clients, and ReadyKey's adaptable product offerings allow for unique customization to cater to each organization's specific needs, industry, and requirements.

Xavier Alcaraz, Managing Principal, National Practice Director, Health, Safety, and Wellbeing, BSI, said: "I'm delighted to launch this partnership with ReadyKey in order to support organizations seeking customized solutions around Environmental, Health, Safety, and Sustainability.

"Through our expertise, we help clients to improve their performance, grow sustainably, manage

risk, and ultimately become more resilient. A key part of this is helping clients turn ambition into action on sustainability. This collaboration has the potential to help organizations in all sectors accelerate progress to a safer and more sustainable future."

ReadyKey Co-Founder, Stewart Price, added, "We are proud to partner with BSI and support some of the world's largest brands on their journey to embrace the power of mobile. BSI's 100+ years of expertise and knowledge, allied with ReadyKey's world-leading app building CMS, is helping to disrupt companies' approach to providing employees with critical information on the ground - freeing them from their desks, and streamlining data collection."

This strategic partnership between BSI and ReadyKey represents a significant step forward in EHS&S solutions, providing clients with the best of both worlds. The alliance ensures a seamless process from purchasing to implementation, delivering optimal results and enhancing overall client satisfaction.
