

BlocqX Labs Partners with Hungry Howie's to Commemorate Bitcoin Pizza Day with Exclusive NFT Mint

Extended Reality (XR) event is happening live during Bitcoin23 in Miami Beach, Florida

MIAMI, FL, USA, May 20, 2023 /EINPresswire.com/ -- [BlocqX Labs](#), a leading web3 agency headquartered in Tampa Bay, Florida, is thrilled to announce its collaboration with national restaurant brand Hungry Howie's Pizza & Subs to produce and launch a live activation for their commemorative NFT mint, celebrating BitBasel Pizz.Art [Bitcoin Pizza Day](#). The event will occur on May 22nd at the prestigious Sagamore Hotel in Miami Beach, Florida.

Bitcoin Pizza Day, celebrated annually on May 22nd, marks a pivotal moment in the history of cryptocurrency. On this day in 2010, Laszlo Hanyecz made the first-ever documented purchase with Bitcoin, buying two pizzas for 10,000 BTC. This event is widely recognized as the first commercial transaction involving Bitcoin, symbolizing the emergence of cryptocurrencies as a viable medium of exchange.

Holders of the exclusive commemorative NFT token will own a slice of savory pizza history, forever encapsulating the monumental moment that ignited a monetary revolution. This limited edition Hungry Howie's NFTs will feature the iconic mascot Howie and will be made available through a live mint during the event on a revolutionary NFT platform & marketplace., adding an element of excitement and exclusivity to the celebration. The event will bring together blockchain enthusiasts, art collectors, and cryptocurrency aficionados for a one-of-a-kind Extended Reality

We are honored to partner with Hungry Howie's and celebrate Bitcoin Pizza Day with an exclusive NFT mint. This event represents the convergence of technology, art, and culinary excellence."
