

# A new model for small business websites takes 5 days to go live

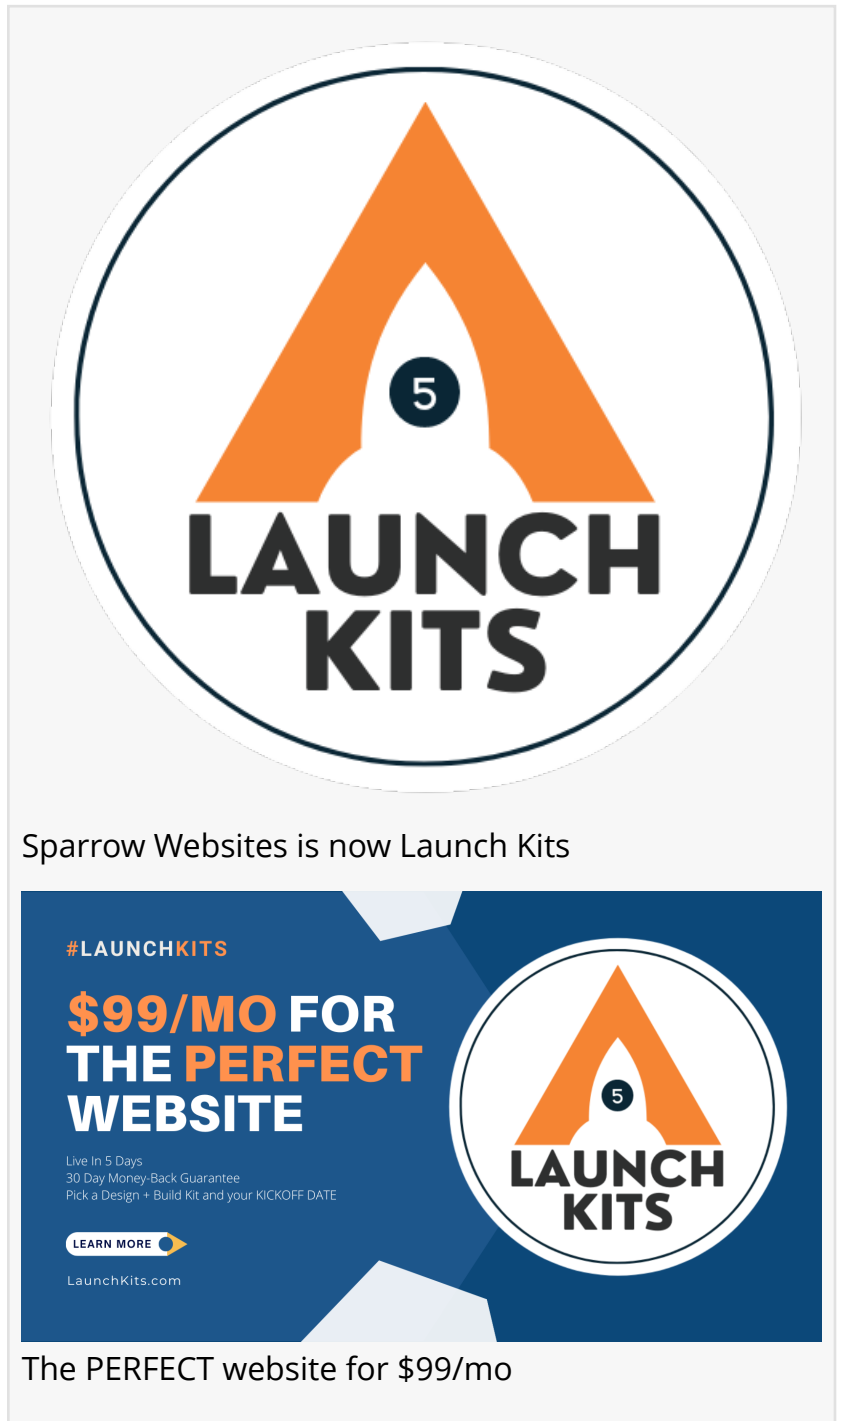

*Launch Kits, a website design company based out of Columbia, PA, has a new model for small businesses looking for website development.*

COLUMBIA, PENNSYLVANIA, UNITED STATES, May 23, 2023

/EINPresswire.com/ -- [Launch Kits](#), a website design company based out of Columbia, PA, has a new standard for how small businesses should approach website development. This allows complete website launches in 5 days.

"Free builders like GoDaddy or Wix means you are guessing at what Google wants - instead of knowing and having experts helping you go live. Working with Launch Kits means you can go live and stop worrying about your own decisions and simply trust the experts," said Launch Kits owner, Justin Rule.

Launch Kits was designed by entrepreneurs, for entrepreneurs, and offers affordable, customized [website templates](#) for all different industries and businesses, including auto body shops and mechanics, retail stores, carpenters, consultants, tourist attractions, summer camps, gyms, home service businesses, restaurants, and more. In addition to beautifully designed websites that are customized to each brand's look

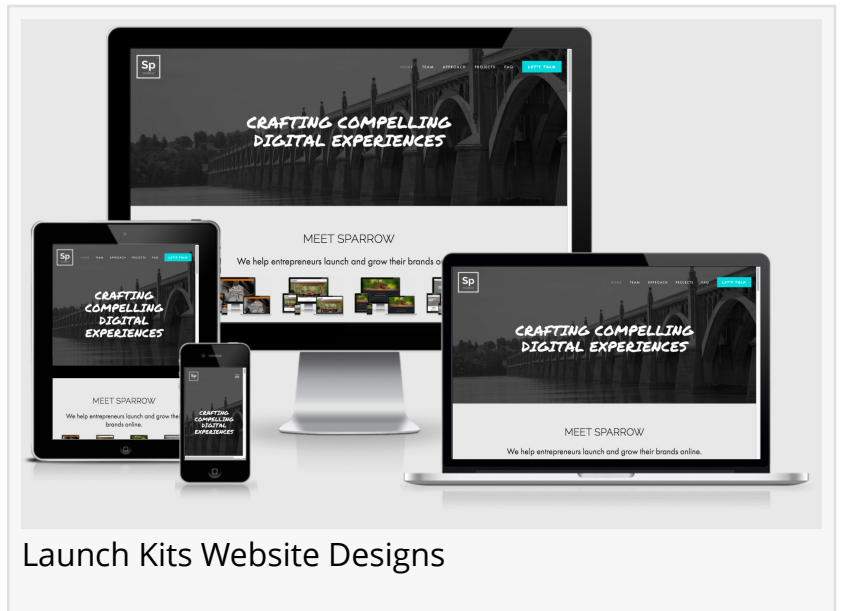

The advertisement graphic is divided into two main sections. The top section features a large white circle containing an orange stylized 'A' shape with a white rocket-like base. Inside the base is a black circle with the number '5'. Below this graphic, the words 'LAUNCH KITS' are written in large, bold, black capital letters. Below the circle, the text 'Sparrow Websites is now Launch Kits' is displayed. The bottom section has a dark blue background. On the left, it says '#LAUNCHKITS' in white, followed by '\$99/MO FOR THE PERFECT WEBSITE' in large, bold, white and orange text. Below this, in smaller white text, it says 'Live In 5 Days', '30 Day Money-Back Guarantee', and 'Pick a Design + Build Kit and your KICKOFF DATE'. A white button with 'LEARN MORE' and a right-pointing arrow is present. Below the button is the URL 'LaunchKits.com'. On the right side of this section is a smaller version of the 'LAUNCH KITS' logo graphic.

The PERFECT website for \$99/mo

and feel, Launch Kits leverages smart website best practices that rank highly on Google, are designed to convert website visitors, and check all of the industry standards of what websites should have in every vertical.

Launch Kits keeps the process simple, so business owners can focus on their business needs and not worry about the heavy lifting that goes into launching a new website. Broken into four steps, the company's website experts guide entrepreneurs through the design, build, launch, and

maintenance of each site they take live. The team's attention to detail and understanding of websites is unmatched by other competitors.
