

Come to Me By Rev. Eric J. Hall Launched On Amazon

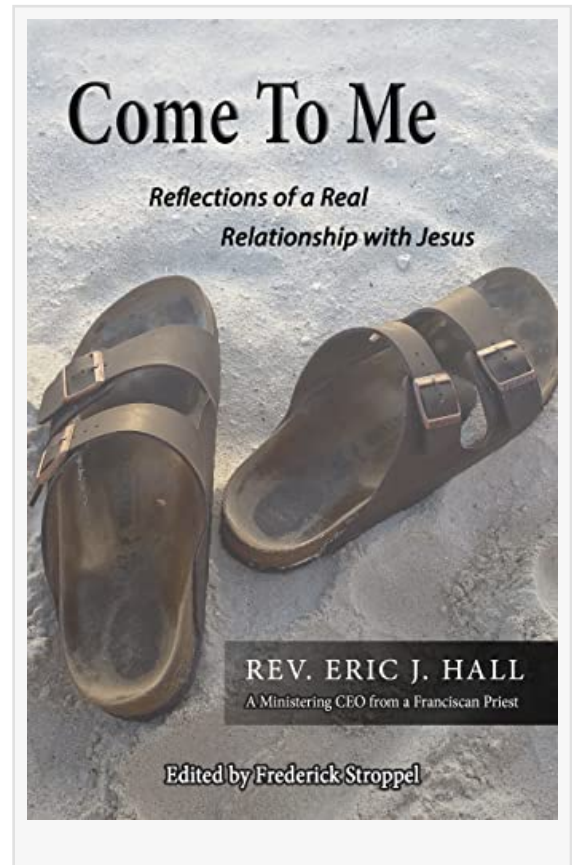

Author Rev. Eric J. Hall's latest book challenges traditional notions of faith, encouraging readers to embrace a personal relationship with Jesus.

EASTCHESTER, NEW YORK, UNITED STATES, May 22, 2023 /EINPresswire.com/ -- Author and minister, Rev. Eric J. Hall, invites readers to embark on a transformative journey with his new book, "[Come to Me: Rev. Eric J. Hall, A Ministering CEO from a Franciscan Priest](#)." Released on May 10, this compelling work challenges traditional notions of faith and spirituality, offering a fresh perspective on the power of a personal relationship with Jesus Christ.

In "Come to Me," Rev. Eric J. Hall deeply explores scripture, traditions, and religion. Drawing from his experiences as a former Capuchin Franciscan Friar and current pastor at Eastchester Community Church, Rev. Hall delivers a captivating message that transcends the boundaries of organized religion. He emphasizes the importance of encountering the living Jesus and embracing His presence for spiritual growth, personal transformation, and a life filled with meaning, purpose, and love.

The book resonates with readers who have questioned the depth of their faith and those who have felt disconnected from religious institutions. Rev. Hall challenges the notion that belonging to a church is equivalent to having a genuine relationship with Jesus, shedding light on the profound difference between religious practices and an intimate connection with the divine. Through personal anecdotes and thought-provoking insights, he encourages readers to trust in Jesus's living presence and embark on a journey of authentic faith.

Rev. Eric J. Hall's own remarkable journey adds depth and authenticity to the book. Ordained as a Roman Catholic priest in 1996, Rev. Hall has dedicated his life to serving God and ministering to others. After discerning a new path, he took a leap of faith and found his calling at Eastchester Community Church, where he has served as pastor for over two decades. His sermons, which

reach thousands through social media platforms such as Facebook, YouTube, and TikTok, have inspired and touched countless lives.

In addition to his pastoral work, Rev. Hall is the President and CEO of HealthCare Chaplaincy Network, a globally recognized nonprofit organization that advocates for integrating spiritual care into healthcare. He is also the visionary behind the Spiritual Care Association. This groundbreaking membership program provides evidence-based training and certification for chaplains, nurses, social workers, first responders, military personnel, and other professionals. Recently, Rev. Hall assumed the esteemed positions of President and Chancellor at CAPSTONE University in Tacoma, Washington.

A portion of the proceeds from the book will also benefit the Spiritual Care Association and support the mission of Eastchester Community Church. "Come to Me: Rev. Eric J. Hall, A Ministering CEO from a Franciscan Priest," is now available for [purchase on Amazon](#) and [Barnes & Noble](#), offering readers a transformative journey toward a genuine relationship with Jesus Christ.
