Destiny Malibu has become a household name since her appearance on American Idol. Her music, a high-energy blend of pop, echoes the styles of popular artists such as Ariana Grande, Ellie Goulding, and Iggy Azalea. Her resilience and perseverance have been in the spotlight following her family's experience with the Woolsey Fire and the Borderline shooting in 2018, events that only strengthened her resolve. Destiny Malibu released 3 albums and a cover song between 2020-2022 including her two bilingual songs "Lo Siento" and "Vamos". Among her

recent accomplishments she graces the cover of the Lake Las Vegas Deluxe Version Magazine's May 2023 edition, a prestigious publication known for featuring prominent artists like Olivia Newton John and Shania Twain and has been performing at the Virgin Hotels Las Vegas in 2022 and 2023.

On the other hand, Legacy Patino is a rising star, known for his unique sound that amalgamates pop, R&B, and Latin music. His music captures his love for his Latin roots, reflected in his use of instrumental choices and corridos tumbados in his musical compositions. His recent releases, "Macarena" and "Amigos," have been widely appreciated for their stylistic diversity, gaining him a rapidly growing fanbase.

The upcoming release, "Yo Te Llevaré," is a testament to their creative prowess and promises to be a fun, high-energy track. The artists' unique styles will be on full display, blending Destiny's pop sensibilities with Legacy's Latin influences. Slated for release this summer, the song will be accompanied by a music video, offering fans a complete audio-visual treat.
