“They are known and respected throughout the healthcare industry for their integrity, commitment to customers and colleagues, and dedication to delivering results. With their addition to our leadership team, Tegria is well-positioned for our next chapter of growth.”

As Tegria’s new CFO, Jen Morgan will lead Tegria’s finance and accounting operations, drawing upon more than twenty years of experience in financial planning and analysis, accounting, tax, and M&A, most recently as CFO of SENTA partners, a consolidator of physician practices. Prior to that, she held executive leadership roles with

Eyecare Partners and Express Scripts, and she has eleven years of experience in public accounting with Ernst & Young.

Prasanna Gunjekar will drive revenue generation, strategy, market expansion and services as Tegria’s new CGO. He has extensive international experience managing and growing fast-paced healthcare businesses, with proven capabilities in building high-performance teams. Most

recently, Gunjkar was senior vice president and head of HTC Global Services' healthcare & insurance market unit. Prior to that, he was a principal in CapGemini Consulting's healthcare strategy & consulting division, leading teams and successful engagements for provider and payer customers. A published author of numerous papers and a sought-after speaker, Gunjkar's career also includes entrepreneurial and technology development achievements in Mumbai, London and Silicon Valley.
