About the Entrex Carbon Market:

Entrex Carbon Market offers a leading marketplace to find, research, track, manage and trade institutional voluntary carbon offset securities. Entrex offers institutional buyers access to quantified and qualified carbon offsets to help corporate buyers manage their carbon footprint. Through our patent pending "CO/SETT" security companies can move carbon offset annual

expense to a tradable annual carbon offset dividend asset – neutralizing their profit and loss statement while neutralizing their carbon footprint. www.entrexcarbonmarket.com
