

# TEXAS PREMIER TECHNOLOGY INSTITUTE, INC. AWARDED \$250,000 TO PROVIDE SCHOLARSHIPS TO QUALIFYING NORTH TEXAS STUDENTS

DALLAS, TEXAS, USA, May 23, 2023 /EINPresswire.com/ -- Texas Premier Technology Institute, Inc. (TPTI), a non-profit licensed Technology Career Training School in Texas, is proud to continue making dreams come true for students on their educational journey through scholarships. The licensed non-profit was awarded over \$250,000 through the Texas Workforce Commission's Self Sufficiency Fund Grant to provide scholarships for low-income students.

The Self Sufficiency Grant affords the organization the ability to offer more than 100 scholarships to help North Texas students who are low-income and have career aspirations in technology get the required training for certification in their field of interest. The grant provides training grants to community-based organizations 501(c)(3) and public community and technical colleges that deliver occupational training for adults.

Students who qualify or are recipients of the Temporary Assistance for Needy Families (TANF), individuals who are At-Risk of becoming dependent on public assistance and individuals earning less than \$37,000 annually with a dependent child (custodial or non-custodial) are eligible. With TPTI's exceptional performance and 76% job placement rate,

#### TESTIMONIALS:

"I greatly benefited from the resources and guidance that TPTI gave me. I have received support, valuable study material, and instruction from IT professionals who are very experienced and helpful. I am very happy with my progress and excited about my future endeavors." - Kacy Quianes

"TPTI is second to none, and with their help, I have passed my CompTIA a+ certification with no experience in the field and landed a job in the Information Technology industry. This is the biggest breakthrough for my family and me. I cannot help but say thank you for the encouragement, leadership, and teaching that has opened up another chapter in my life." - Clifford Cooley

"An institution that has been of great help in preparing me for a career in IT. I'm allowed to learn at a pace that is most comfortable for me and have gone out of their way to provide me assistance throughout the stages of setting up my career." – Daniel Villagomez
