

# Vipera Announces Pre-Order Availability for Antminer KS3 (8.3 TH/s) with Potential Daily Earnings of \$1870

*Vipera Announces Pre-Order Availability of Bitmain Antminer KS3 (8.3 TH/s), Generating \$1870 Daily Revenue at 8¢ Electricity Cost! We secured 1500 units.*

UNITED STATES, May 24, 2023

/EINPresswire.com/ --

A trusted and authorized distributor of Viperatech, is excited to announce the exclusive pre-order availability of the highly sought-after Bitmain Antminer KS3 (8.3 TH/s) miner. These advanced miners, recommended by Bitmain, have demonstrated the exceptional capability to generate a daily revenue of \$1870 while operating at a constant electricity cost of 8 cents per kilowatt-hour.

As an authorized distributor of Bitmain, Vipera is proud to secure 1500 units of the Bitmain Antminer KS3 (8.3 TH/s) exclusively for our valued customers. This limited availability ensures that miners and cryptocurrency enthusiasts can seize the opportunity to be among the first to access this powerful mining equipment.

Renowned for its outstanding performance and energy efficiency, the Bitmain Antminer KS3 (8.3 TH/s) has become the top choice for individuals and organizations aiming to maximize their mining capabilities. Through our partnership with Bitmain, Vipera guarantees that customers receive genuine and high-quality mining equipment that adheres to the rigorous standards set by both Bitmain and Viperatech.

To secure your pre-order for the Bitmain Antminer KS3 (8.3 TH/s) and take advantage of this

The advertisement features a blue background with a network diagram. At the top left is the VIPERA logo. In the top right corner, a badge indicates a "2 YEAR CYCLESAFE™ WARRANTY". The central text reads "BITMAIN" in large white letters, followed by "KS3 8.3TH/s 3188W (KAS)" in a blue box. Below this is a 3D rendering of the Bitmain Antminer KS3 miner, which is a white and black industrial unit with multiple fans. A blue banner at the bottom of the unit says "KAS Miner". At the bottom of the ad, there are four icons with corresponding specifications: a document icon for "Hashrate: 8.3 TH/s", a lightning bolt icon for "Power: 3188W", a speaker icon for "Noise: <75dB", and a network icon for "Interface: RJ45 Ethernet 10/100M". To the right of these icons, it says "Preorder for August batch with September delivery".

Pre-Order the Bitmain Antminer KS3 (8.3 TH/s), Generating \$1870 Daily Revenue at 8 Cent Electricity Cost.

exclusive opportunity, visit our website at [www.viperatech.com](http://www.viperatech.com) The product listing page at <https://www.viperatech.com/product/bitmain-antminer-ks3-8-3th/> provides comprehensive information and enables you to place your pre-order quickly and conveniently.

At Viperatech, we are fully committed to delivering exceptional products and services that empower miners to thrive in the competitive cryptocurrency mining industry.
