

AMSTERGI, Leading Technology Distributor, Set to Participate in GITEX Africa 2023

MARRAKECH, MOROCCO, May 23, 2023 /EINPresswire.com/ -- [AMSTERGI](#), a leading technology distributor, is proud to announce its participation in the first-ever [GITEX Africa](#) 2023, taking place from May 30th to June 2nd in Marrakech, Morocco. The event will provide a platform for the company to showcase its latest products and services in the consumer technology, gaming, physical security, and ELV industries.

AMSTERGI's stand no 4B-50 in Hall 4 at GITEX Africa will feature leading manufacturers, including Sony, Black & Decker, Logitech, Smartix, Western Digital, Sandisk, DDN Storage, Leviton, IntelxVision, and Skycope Technologies.

The poster features a dark blue background with a glowing network of lines and nodes. In the center, a human hand and a blue robotic hand are reaching towards each other, with a bright light emanating from the point where their fingers are inches apart. Text on the poster includes: 'GITEX AFRICA Morocco' at the top left, '31 MAY - 02 JUNE 2023 MARRAKECH' at the top right, 'BRIDGING THE FUTURE' in the middle, and 'LET'S MEET IN AFRICA' in large white letters. At the bottom, it says 'www.amstergi.com', the AMSTERGI logo with 'BRIDGING THE FUTURE' underneath, and social media icons for Facebook, Instagram, and LinkedIn.

"We are thrilled to be part of the inaugural GITEX Africa event, which will bring together industry leaders, innovators, and experts from across the globe," said Anas Hassan, CCO of AMSTERGI. "Our participation in this event is a testament to our commitment to providing cutting-edge solutions to our customers."

GITEX Africa 2023 is expected to be a premier event for technology and innovation in the African continent, attracting thousands of attendees and featuring over 500 exhibitors. The event will provide an opportunity for businesses to showcase their latest products, network with peers and stakeholders, and gain insights into the latest trends in the industry.

"Our stand at GITEX Africa will showcase our latest products in consumer technology, gaming, physical security, and ELV solutions, alongside other industry-leading manufacturers," added Anas. "We are excited to demonstrate our commitment to innovation, customer satisfaction, and

technology advancement at this event."

AMSTERGI invites attendees to visit its stand no 4B-50 in Hall 4 at GITEX Africa 2023 and explore the latest in consumer technology, gaming, physical security, and ELV solutions. For more information, please visit our website at www.amstergi.com.
