In October, Travel-in-Spirit offers a Mystical Journey to Scotland and Ireland, a one-of-a-kind trip with famed Long-Island healer, [Pat Longo](https://www.patlongo.com). few. She came to understand her skills slowly and relatively late in life when, at the age of 40 a mentor helped her understand that the heat she was feeling in her hands was a force that needed to be contained, channeled and used. Working with her gifts she learned they were inherited from a long line of gifted intuitives in her family. Today, she helps others tap into their own inborn gifts and also communicate with guides, forces and loved ones trying to reach them.

Pat Longo's latest book, "The Gifts Beneath Your Anxiety," discusses how to focus and recognize the messages from beyond that need to be heard. In this Travel-in-Spirit tour, guests will not only have the chance to experience the unseen while exploring the sacred places and portals that are key to the lore of Scotland and Ireland, but also enjoy group sessions in the psychic arts and personal readings during this eight-day journey.

Co-hosting the journey is Jenniffer Weigel, Emmy Award winning journalist, author, and storyteller who has been investigating all things paranormal for over two decades. Her popular podcast, "The Jen Weigel Show," attracts more than 15,000 downloads per week, and her [SPIRITUAL SOCIAL CLUB](#)— which meets both in person, and on Zoom, has connected seekers from around the globe with sessions managed by known practitioners in the healing and psychic arts. She has authored four humorous memoirs about spirituality including her most popular, "I'm Spiritual, Dammit!," which has been translated into several languages. Jen has over eight books on Audible, and her latest -- "Intuition is Your Super Power" -- rose to the Audible best seller list in the winter of 2022.

Travel-in-Spirit's Journey to Scotland, Ireland and Beyond runs Oct. 12-19, 2023. Rates start at \$6000 depending on number participants, single supplement on request.
