

Tru Filtered Air Recognized as "Best for Allergies and Asthma" by The Spruce

Tru Filtered Air is recognized by The Spruce as one of the "Best Air Filter Subscriptions of 2023" and singled out as the "Best for Allergies and Asthma".

TEMPE, ARIZONA, UNITED STATES, May 25, 2023 /EINPresswire.com/ -- [Tru Filtered Air](#), a leading subscription service for [premium furnace air filters](#), is honored to announce its recent recognition by The Spruce as one of the "Best Air Filter Subscriptions of 2023." Tru Filtered Air's filters have been singled out as the "Best for Allergies and Asthma," affirming their commitment to customers with specific health needs.

The Spruce's recommendation hails Tru Filtered Air's commitment to quality, emphasizing that "TRU only offers activated carbon-backed [MERV 11 filters](#)" and "TRU does not sell any filters that don't meet its high standards." These filters are specially designed to trap odors, gases, and volatile organic compounds (VOCs), while maintaining up to 90% efficiency and ideal airflow.

The Spruce is a trusted home improvement website that rigorously tests and reviews over 10,000 products annually, providing reliable
