About Dave's Gourmet: Dave's Gourmet has served as a pioneer in the super-hot segment of the hot sauce category for the past three decades. The Company's offerings include the iconic Dave's Insanity Sauce, which at the time of its creation held the title of the "hottest hot sauce in the universe," as well as Ghost Pepper Hot Sauce, Scorpion Hot Sauce, Carolina Reaper Hot Sauce, and many others. Their expertise in making super-hot sauces even landed Dave's Gourmet Sauce on the first season of the hit YouTube channel Hot Ones. To expand their offerings, Dave's Gourmet launched a line of premium creamy hot sauces with a medium heat level, incredible savory flavor, and unique mouthfeel achieved through high-speed whipping of the ingredients. The line currently consists of four flavors: Creamy Habanero, Garlic Red Pepper, Roasted Jalapeno, and Creamy Asian Hot Sauce, and these sauces are vegan, gluten free, low-sodium, and bottled in the USA. The wide selection of Dave's Gourmet's sauces caters to any heat level desired by customers without compromising the bold and versatile flavors of its products.
