Market Drivers:

The constant efforts of prominent players to develop newer and modern technologies and product advancements are expected to drive the growth of the industry over the coming years. The report studies the extensive business expansion plans

and advancements in R&D activities and product portfolio. The report offers a clear understanding of the alliances in the market, such as mergers and acquisitions, joint ventures, collaborations, partnerships, agreements, product launches and brand promotions, and corporate deals.

Some Key Highlights from the Report

In June 2020, Glenwood Regional Medical Center opened an updated hybrid OR for minimally invasive procedures. The investment brings advanced minimally invasive care to community and offers the hospital's surgical team with state-of-the-art amenities to treat patients. This results in shorter hospital stays and improved patient outcomes.

Intraoperative diagnostic system segment accounted for largest revenue share in 2020. These systems are widely used in minimally invasive surgical procedures and offer functional guidance to surgeons and anaesthesiologists. Risi

The leading market contenders listed in the report are:

Toshiba Corporation, Stryker Corporation, Koninklijke Philips N.V., Getinge AB, Mizuho Corporation, Siemens AG, Steris PLC, General Electric Company, Skytron LLC, and Trumpf Medical

Market Segmentations of the Hybrid Operating Room Market

Emergen Research has segmented the global hybrid operating room market on the basis of component, application, end-use, and region:

Component Outlook (Revenue, USD Million; 2018–2028)

Surgical Instruments

Audiovisual Display Systems and Tools

Intraoperative Diagnostic Imaging Systems

Angiography Systems

MRI Systems

CT Scanners

Other Intraoperative Diagnostic Imaging Systems

Operating Room Fixtures

Operating Tables

Operating Room Lights

Surgical Booms

Radiation Shields

Other Components

Application Outlook (Revenue, USD Million; 2018–2028)

Neurosurgical

Cardiovascular

Orthopedic

Thoracic

Others

Geographical Segmentation:

North America, Europe, Asia Pacific, Latin America, and Middle East & Africa.
