[New York, NY, May 2023] - MedXwaste, a leading provider of sustainable [medical waste](#) management solutions, is pleased to announce its participation in the upcoming International Franchise Expo, to be held at the Javits

Center from June 1-3, 2023. The company's presence at the event aims to showcase its innovative services and generate valuable connections within the franchise industry.

The International Franchise Expo is a premier gathering of franchisors, potential franchisees, and industry professionals from around the world. With a rich history of successful exhibitions, the event provides an exceptional platform for businesses seeking to expand their reach and explore new partnership opportunities. MedXwaste is thrilled to be a part of this influential expo and looks forward to engaging with attendees.

At the MedXwaste booth, visitors will have the opportunity to learn about the company's cutting-edge solutions for medical waste management. As a leader in the industry, MedXwaste offers comprehensive and sustainable waste disposal services, including collection, treatment, and disposal of medical and biohazardous waste. The company's innovative approach combines state-of-the-art technologies with environmentally friendly practices to ensure the safe and efficient handling of medical waste.

"Our participation in the International Franchise Expo marks an exciting milestone for

MedXwaste," said Sean Fredricks, President & Founder at MedXwaste. "We are eager to share our sustainable solutions with a wider audience and explore potential partnerships with franchisees who share our commitment to environmental stewardship and public safety."

MedXwaste's presence at the expo will also serve as an opportunity to highlight the company's franchise opportunities. With a proven business model and a robust support system, MedXwaste is actively seeking entrepreneurs interested in joining their mission of revolutionizing the medical waste management industry. Franchisees will benefit from comprehensive training, ongoing support, and access to a reputable brand with a strong market presence.

To learn more about MedXwaste's innovative solutions and explore franchise opportunities, visit the company's booth at the International Franchise Expo. MedXwaste representatives will be available throughout the event to answer questions, provide insights, and discuss potential partnerships at booth #228.
