YORBA LINDA, CA, UNITED STATES, May 25, 2023 /EINPresswire.com/ --

Graduation gift-giving doesn't have to be hard—especially not for gamers (and that's most graduates). [CORE Gaming](#) makes graduate gift-giving easy by vetting all products it sells for performance, quality, and style. Whether starting a first-time job, college or graduate program or enjoying a gap year, graduates can level up their gear with CORE Gaming.

"Many graduates will be away from home, starting new careers this summer—or taking a break before going on to college and beyond," says Paul June VP of Marketing for CORE Gaming. "Gear from CORE Gaming for work and for play is a great way to give graduates some peace of mind their tech is protected and high performing."

stuff. It's also pre-wired for connection to a mobile power bank, plus there's an external USB 3.0 Quick-Charge compatible port.

Both the backpack and the duffel also come with a hook-and-loop (Velcro) panel for showing off tournament, school, and vendor patches.

The new CORE Power 24,000mAh AC/USB Laptop Charger makes for a great companion for today's mobile graduates. Lightweight, compact, and travel-friendly, this mobile power pack charges up to four devices at once. It also packs enough power to charge a laptop. Highlights include a standard AC outlet, dual High-Power USB Outputs, a fast-charge USB C port, plus world class safety features to protect against overcharging and short circuits. It comes with a 20W USB-C PD wall adapter and USB-C to USB-C charging cable.

[LucidSound's LS15P Wireless Gaming Headset](#) is lightweight and comfortable. This headset lets graduates upgrade their audio for work, school, and play without breaking the bank. It works great with PlayStation 5, PlayStation 4, and PC. Features include intuitive quick-access audio controls, interference-free wireless connectivity, custom-tuned 50mm drivers, and a dual-mic system.

Another great headset is LucidSound's flagship LS50X Hybrid Wireless and Bluetooth Gaming Headset for Xbox. It features lag-free wireless audio and chat for Xbox gaming and simultaneous Bluetooth connectivity for total wireless freedom. Gel-cooled earpads combine with dual noise-canceling mics and powerful custom-tuned drivers to make this the ultimate Xbox headset. Officially licensed for Xbox, it works on Xbox Series X|S.
