

VideoHunter Launched The Powerful TikTok Video Downloader to Save Videos Without Watermarks

A powerful TikTok video downloader enables users to save video clips in their original quality, without any watermarks, allowing for offline.

NEW YORK, THE UNITED STATES, May 31, 2023 /EINPresswire.com/ -- Leading video downloading software provider, VideoHunter, continues to strengthen its position in the market with the introduction of its latest product, [VideoHunter TikTok Video Downloader](#), specifically designed for desktop users.

Best TikTok Downloader No Watermark for Windows/Mac

As our lives become increasingly saturated with TikTok short videos, VideoHunter TikTok Video Downloader offers a convenient solution for preserving these videos as personal collections, free from any watermarks. Moreover, users can save royalty-free materials for offline editing, facilitating the creation of personal clips for sharing. The VideoHunter TikTok Video Downloader proves to be an indispensable tool for those who deal with short videos on a daily basis. With its remarkable capabilities, this software simplifies the process of downloading TikTok videos effortlessly.

Why Select VideoHunter TikTok Video Downloader?

#1. Download Without Watermarks

As the official download functionality would insert user logos as watermarks to the local TikTok video files, VideoHunter TikTok Video Downloader will not work like this. With VideoHunter TikTok Video Downloader, watermarks generated by TikTok are eliminated, as the software detects the video sources and directly converts them. This ensures users can [download TikTok videos](#) without any unwanted watermarks.

#2. Provide Up to HD 1080p Resolution

To guarantee an original quality condition to output TikTok videos, the software will offer original

video resolutions to select as it can detect. The software is capable of detecting and offering the option to select videos at up to HD 1080p quality. Additionally, it will avoid compressing the video or audio quality during the whole downloading process, ensuring the best condition for all TikTok video outputs.

#3. Private Videos Download Available

As a [top-notch TikTok video downloader](#), VideoHunter TikTok Video Downloader stands out by offering seamless downloading of private TikTok videos without any complications. No account login is required to process it. Downloading all TikTok videos offline is a breeze with VideoHunter TikTok Video Downloader—simply copy and paste the URLs, and the software takes care of the rest.

How to Download TikTok Videos Via VideoHunter TikTok Video Downloader

Featuring an intuitive design, VideoHunter TikTok Video Downloader provides a user-friendly interface, ensuring a hassle-free experience in downloading TikTok videos with just a few simple clicks.

STEP 1. Copy and Paste TikTok Video URL

Upon logging into VideoHunter TikTok Video Downloader, users are greeted with a user-friendly interface, designed to streamline the downloading process. Users can now visit TikTok and copy the URL of the desired video for watermark-free downloading. Then paste it to the frame bar in the downloader, and tap "Analyze" to process the video conversion right away.

STEP 2. Select Format and Quality

Next, when VideoHunter TikTok Video Downloader completes the URL analysis, a pop-up window will appear, with multiple output choices provided. Next, choose the desired format and quality for outputting the TikTok video. By hitting the "Download" icon and the video will be downloaded immediately.

Is VideoHunter TikTok Video Downloader Free to Use?

VideoHunter TikTok Video Downloader has offered a basic free with free services provided to users who have registered an account using the software. But still, some limitations will exist, including:

- Only 3 videos are available to be downloaded everyday;
- Playlist download is not supported;
- Up to 480p quality can be selected.

For enhanced features and an unrestricted experience, users are encouraged to subscribe to VideoHunter TikTok Video Downloader's premium plan. Currently, VideoHunter offers two subscription plans for users to choose from.

Monthly subscription for 1 device: US\$9.95

Yearly subscription for 2 devices: US\$29.95

By activating the premium version, all limitations imposed by the basic plan are removed, granting immediate access to the full version of VideoHunter TikTok Video Downloader.
