

Hiland Dairy Celebrates World Milk Day and National Dairy Month by Donating Milk to Area Food Banks

SPRINGFIELD, MISSOURI, UNITED STATES OF AMERICA, May 25, 2023 /EINPresswire.com/ -- Hiland Dairy is kicking off World Milk Day on June 1 and National Dairy Month in June by partnering with 15 Feeding America® network food banks across a six-state area. The food banks will receive 19,380 quarts of Hiland Dairy milk, providing 77,520 eight-ounce servings.

The donation also marks Hiland's 85 years of providing delicious, nutritious milk and dairy products to American families. Hiland Dairy and its farmer-owners are working hard to produce safe, nutritious dairy and get it to those in need. World Milk Day on June 1 and National Dairy Month in June provide an opportunity to amplify that message.

The donations will be coordinated at each of Hiland's plant locations on Thursday, June 1, 2023, at 8 am.
