

Accely Empowers Speedy Industrial Supplies with SAP ERP Go-Live

Accelerate your industrial supplies with Accely's SAP ERP solution. Empowering businesses with seamless implementation for enhanced efficiency and productivity.

SINGAPORE, May 27, 2023

/EINPresswire.com/ -- Accely has announced the successful [implementation of the SAP ERP system](#) for [Speedy Industrial Supplies PTE LTD](#), a major industrial goods supplier. Speedy Industrial Supplies has been able to streamline business processes, optimize inventory management, and boost overall business performance, thanks to the SAP ERP.

Speedy Industrial Supplies PTE LTD, a wholly-owned subsidiary of BizLink Group that was founded in 1987, specializes in offering one-stop Electronic Manufacturing Service (EMS) solutions for high-mix, low-volume projects involving box build assemblies, system integration, wire harnesses, and cable assemblies, PCBA assemblies, and sheet metal fabrication.

The successful implementation of the SAP ERP system at Speedy Industrial Supplies is a testament to Accely's expertise in SAP ERP consulting and implementation. The project was started by Accely's committed team on 2022-09-15, and SAP Go-Live was accomplished on 2023-04-01 dedicatedly.

The implementation of the SAP ERP system has enabled Speedy Industrial Supplies to automate its business processes, reduce manual data entry, and improve its operational efficiency. Speedy Industrial Supplies and Accely's team of SAP ERP experts partnered extensively to develop and execute a unique ERP solution that suited their unique business needs. The project was

successfully executed, and prompt implementation of the SAP ERP system contributed to a seamless conversion from the old system. As a result, Speedy Industrial Supplies was able to acquire a competitive edge in the industry and carry on with ease and effectiveness.

Accely has been a trusted partner during the process of implementation, offering the technical know-how and assistance required to make this project a success.

Accely's reputation as a top-tier SAP consulting service provider is undoubtedly well-deserved. With more than 22 years in the business, Accely has proven its capacity to provide high-value solutions that boost clients' productivity and efficiency. As an [SAP Gold Partner](#), Accely has access to the newest tools, resources, and technology, which enables them to stay on the cutting edge of their field and offer exceptional services to their clients.

Working with a reliable partner who can offer novel solutions to complex problems is essential in today's fast-paced corporate world. Accely's commitment to excellence, attention to detail, and customer-centric approach make it an ideal partner for any organization looking to enhance its SAP capabilities and improve its overall productivity and efficiency.

"We sincerely appreciate the trust that Speedy Industrial Supplies PTE LTD, BizLink ISIT, and the management teams have shown in us as we guide them through their digital transformation journey. It was a privilege to work with
