Emord](#), a top-ranked DC-based constitutional attorney, author of a pathbreaking best-selling book, THE AUTHORITARIANS, an official candidate for the United States Senate for the great state of Virginia, statement for [Memorial Day](#).

"May is Military Appreciation Month, Military Spouse Appreciation, Armed Forces Day, and Memorial Day. These holidays remind us of our country's bravest defenders and the sacrifices they and their families make. We remember we honor, and we thank you.

As a military child, my father served; he was the Greatest Generation. [Our family](#) understands, knows, and carries the dedication of service to this nation from the very foundation of America.

Our men and women in uniform prove their love of country more than themselves daily. They pledge their all to defend our republic, our Constitution, our liberties, and our lives. They have done so in every conflict from the American Revolution to the present.

They have done so without reservation but with firm resolve. We honor their sacrifices, fully aware that the freedoms we enjoy would not exist without them. May God Bless our men and women in uniform, their spouses, and their families."
