Businesses and organizations may be eligible to apply for and receive federal funding. To apply as an organization:

1. Obtain a DUNS number. This is a unique 9-digit identification number provided by Dun and Bradstreet (D&B) for your organization. This is a mandatory step and will take up to 2 business days to complete.
2. Register with the System for Award Management (SAM). The United States utilizes SAM to manage funding applications for organizations. This is a mandatory step and will take up to 4 weeks to complete.

3. Complete the registration form as an organization on grants.gov and obtain a username and password.
4. Submit the application package containing all of the materials required by the funding opportunity.
5. Obtain a tracking number.
6. Track the status of the application with the tracking number.
