The PrintFest '23 Open House is an extraordinary opportunity for professionals, enthusiasts, and technology aficionados to witness firsthand new printing techniques' transformative power. The event will feature a captivating array of interactive exhibits, hands-on demonstrations and engaging demos designed to inspire and empower

attendees.

Highlights of the Printer Open House include:

Technological Marvels: InkJetBiz will showcase and announce new breakthrough printing technologies offering capabilities new to the industry.

Creative Expression: With over 25 different printing applications, virtually all digital printing technologies will be exhibited and demonstrated.

Expert-led Demonstrations: Engage in informative demonstrations and gain valuable insights from industry experts.

Networking Opportunities: Connect with a vibrant community of professionals, enthusiasts, and innovators who share a passion for printing.

InkJetBiz's PrintFest '23 is more than an event; it is a celebration of the possibilities that lie at the intersection of technology and creativity.

InkJetBiz PrintFest '23 is free to all attendees, and all participants are eligible to participate in the

hourly raffles that will include a Siser Digital Cutter, a Dye Sub Printer from EPSON, numerous heat presses from Graphics One, Fuze kits from Prism Inks and other prizes. Each participant will receive a free gift.
