Since its inception, Visionary Book Writers has been at the forefront of transforming manuscripts into compelling books, with our team of 100s of bestselling New York Times and Amazon ghostwriters, editors and proofreaders and publishing executives from the Big 5 Publishing houses.

Visionary Book Writers, an innovative leader in ghostwriting, eBook writing, book publishing, and book marketing services, is proud to showcase its latest three successful projects that underscore our commitment to nurturing diverse voices and delivering captivating narratives to the reading community: "UFOs Cryptids and the Bible" by Anthony Lynn Myers, "Metamorphic Portrait" by Hillol Ray, and "The Real-Life Adventures of Stew" by Steven M. Waterfield.

"UFOs, Cryptids, and the Bible" by Anthony Lynn Myers is an enthralling exploration of the intersection of mythology, theology, and the unknown. We brought Myers' unique manuscript to life with attentive editing, proofreading, and cover design that catches the eye and piques the book's curiosity and publishing. Our ongoing marketing efforts ensure Myers' thought-provoking insights reach audiences craving a fresh perspective on these topics.

"Metamorphic Portrait", a novel by Seema Banerjee Ray and translated by Hillol Ray, is a potent fusion of artistic sensibilities and powerful storytelling. Through our meticulous editing and proofreading services, we've transformed Ray's innovative prose into a polished gem of a book,

with a vibrant cover that hints at the family drama, Indian cultural, societal norms, values and emotional journey within its pages. With our strategic marketing plan, we continue to amplify Ray's distinctive voice to his target audience and beyond.

Steven M. Waterfield's "The Real-Life Adventures of Stew" is an endearing book with a mixture of fiction and non-fiction that tells the story and adventures of an aging street performer, STEW, that discusses his life adventures from the little town bars to the hidden corners of America captivates readers of all ages. We helped Waterfield shape his raw manuscript into a delightful book that tickles the imagination and warms the heart, complemented by a charming cover design. Our book marketing team is committed to promoting Waterfield's work across various platforms to garner the recognition it deserves.
