*BURMA GEMSTONE PAINTING Launches Kickstarter Campaign, Showcasing Exquisite Craftsmanship of an 805-Year-Old City, Mogok, Burma, to Empower Local Artisans*

MOGOK, MANDALAY, MYANMAR, May 29, 2023 /EINPresswire.com/ -- [BURMA GEMSTONE PAINTING](#), the First Local Enterprise from Myanmar to Launch a [Kickstarter Campaign](#), showcases the exquisite craftsmanship of an 805-year-old city, Mogok (Rubyland), Burma. This historic campaign aims to support and empower local artisans while preserving the rich cultural heritage of the region.

Mogok, an 800-year-old historic city in northern Myanmar (Burma), is renowned for its world's finest gems, including ruby, sapphire, spinel, peridot, and moonstone. For centuries, the artisans of Mogok have passionately handcrafted gemstone paintings using low-grade rough gemstones or mineral stones found in the region. This traditional art form represents the intersection of history, craftsmanship, and natural beauty, deeply rooted in the cultural heritage of Mogok.

“

We believe that every artwork tells a story, and these stories deserve to be shared with the world and their work deserves recognition and support”
