Outsourcing Services is a business activity in which a firm hires a third party to execute services on its behalf. Sales Outsourcing is an indirect sales procedure in which a seller offers items or services to buyers in order to generate a profit. This is a great approach for businesses to get a lot of people to buy their products and services. The company's sales revenue may be increased with the aid of a focused and dedicated sales force, which can result in the company's growth plan.

“On 08 June 2021, Acquirent, a leader in outsourced sales acquire Vorsight, a B2B and B2G inside sales company. Acquirent has benefited from Vorsight's unique business and talent acquisition prospects. Acquirent's vast pool of people and range of services will benefit greatly from this merger. The acquisition will help both firms, significant value. Through Acquirent's outsourced sales product, Vorsight has access to large resources, other talent pools, and the opportunity to extend its service offering. Acquirent strengthens its core capabilities and offers unique sales training with the purchase of Vorsight, and can now provide live sales training services.”

“On 15 July 2020, MarketStar partnership with Totango to take customer service capabilities to a new level. The partnership will help MarketStar c appropriately use its decades of experience to help alter the way XaaS businesses manage customer and partner success, owing to Totango's flexibility in executing specific customer success procedures. Totango is a robust customer management platform that enables proactive customer success and improves dynamic human and digital engagement for the world's fastest-growing and largest businesses. Totango perfectly aligns with MarketStar's customer adoption, retention, and growth strategies, owing to MarketStar's ability to expand customer success into underserved consumer categories and their extensive understanding of customer and partner behavior.”
