

AMSTERGI Launches Secure Future Summit - a platform for professionals in the physical security & ELV solutions industry

CASABLANCA, MOROCCO, May 29, 2023 /EINPresswire.com/ -- [AMSTERGI](https://www.amstergi.com), a leading provider of cutting-edge technologies in the physical security and ELV solutions space, is proud to announce the launch of the Secure Future Summit. This premier event will take place on June 6th, 2023, at the esteemed Grand Mogador City Center in Casablanca.

The Secure Future Summit is a highly anticipated platform for professionals and enthusiasts in the physical security and ELV solutions industry to convene, exchange knowledge, and explore the latest advancements in the field. This ground-breaking summit will focus on the technologies of the future and their impact on the industry, covering a wide range of topics including cabling infrastructure, artificial intelligence, enterprise data storage, video surveillance, physical access control, anti-drone solutions, and more.

Attendees at the Secure Future Summit will have the opportunity to witness live product demonstrations and experience the latest technologies first-hand. The event will feature leading companies in the industry, including DDN Storage, IntellexVision, Skyclope Technologies, and Leviton, showcasing their innovative solutions that are shaping the future of physical security and ELV systems.

In addition to the impressive lineup of technology demonstrations, the Secure Future Summit will also provide a unique and invaluable opportunity for attendees to network with industry professionals and thought leaders from across the region. The day-long agenda is packed with

The promotional graphic for the AMSTERGI Secure Future Summit features a dark blue background with a glowing digital interface. At the center, a human hand and a blue robotic hand are shown in a 'fingers touching' gesture, symbolizing the bridge between the present and the future. The text 'AMSTERGI BRIDGING THE FUTURE' is at the top, followed by 'SECURE FUTURE SUMMIT' in large, bold letters. Below this, the event details '6 June 2023' and 'Casablanca, Morocco' are displayed. The bottom section lists 'OUR PARTNERS' with logos for ddn, IntellexVision, SHYCOPE, and LEVITON. The overall design is futuristic and tech-oriented.
