

# Vipera's Jasminer X16-P Signals a Groundbreaking Era in Cryptomining as Pre-orders Skyrocket

*Vipera's Jasminer X16-P with 5.7GH/s hashrate to dominate mining farms. Retailing at \$11,518 in the US, \$15,670 in Canada. Pre-orders booming.*

UNITED STATES, May 30, 2023

/EINPresswire.com/ -- In a world where computational power is currency, Vipera is once again challenging the norms, announcing the release of the unprecedented [Jasminer X16-P](#). The mining beast, with a colossal hashrate of 5.7GH/s and power consumption of 1900 W, is expected to send tremors through the cryptocurrency mining industry.

Equipped with 8GB of VRAM, the Jasminer X16-P is purpose-built for mining farms. The machine is a testament to Vipera's commitment to leading the industry, continuously outpacing competitors with state-of-the-art technology that elevates the cryptocurrency mining experience.

The announcement follows Vipera's meteoric rise to the top, as the company reports record-breaking sales across the globe, leaving other mining hardware manufacturers scrambling to keep pace. Vipera's triumph in the marketplace cements its position as an unrivaled leader, setting an almost insurmountable bar for its competitors.

In the USA, the cutting-edge Jasminer X16-P is expected to retail for \$11,518, while in Canada, it will carry a price tag of \$15,670. With its unparalleled performance and competitive pricing, the machine is expected to command a significant share of the market and drive a new wave of

The advertisement features a blue background with a subtle constellation pattern. At the top left is the Vipera logo. The product name 'JASMINER' is prominently displayed in white, followed by 'X16-P 5.7GH/s 1900 W' in a white box. To the right is a 3D rendering of the mining rig, showing three circular fans on the front and a PSU on the side. On the left, three icons represent the specifications: a document with a plus sign for 'Hashrate: 5.7 GH/s', a lightning bolt for 'Power: 1900 W', and a memory module for 'VRAM: 8G'. At the bottom left, a small icon of a hand holding a document is next to a disclaimer: 'Please note that the price of the miners is subject to change without notice. For the latest pricing information, please contact us.' At the bottom right, the price '\$11518.00' is shown in a large font, with 'EXPECTED PRICE' in a smaller box below it. Payment logos for AMEX, Mastercard, VISA, and DISCOVER are at the bottom right, along with the website 'WWW.VIPERATECH.COM'.
