

Real Boxer & Nicolas of Palm Beach Unveil Chic and Concealed Clothing Line for the Ultimate Fashion and Security Fusion

PALM BEACH, FLORIDA, USA, May 29, 2023 /EINPresswire.com/
-- Real Boxer, a well-known brand of underwear and leisure
wear originating as the house brand of Wards, has announced
its new partnership with luxury fashion boutique <u>Nicolas of</u>
Palm Beach. Together, they will introduce a clothing line for the
2023/2024 fashion season. Reviving and expanding the original
brand's motto – "Everyday is a fight" – the joint collection will
offer innovative clothing solutions, designed with secret
compartments for the ultimate sense of security and style.

The exclusive collaboration brings a new level of convenience in clothing, as the secret compartments can discreetly conceal valuables or protective devices. The new line aims to appeal to style-conscious individuals who value security and sophistication.

As part of this collaboration, Real Boxer will also be launching a concealed swimwear line. These swim trunks will include watertight secret compartments, perfect for holding essential items such as keys, money, and important documents. This feature allows customers to feel at ease at Palm Beach or any waterside retreat, knowing their valuables are safe while they relax and unwind.
