Management Consultants announce that EFESO Belgium, has been awarded a prestigious medal from EcoVadis, the world's largest provider of business sustainability ratings. This recognition highlights EFESO Belgium's performance as a responsible and sustainable business, further cementing our commitment to sustainability as a strategic pillar.

With a percentile of 92, EFESO Belgium is among the top 8% of companies evaluated by EcoVadis of the same size and in the top 25 % of all companies evaluated. The sustainability scorecard illustrates performance across 21 indicators in four themes: environment, labor and human rights, ethics, and sustainable procurement.

“

We are honored to have been certified by EcoVadis as it reflects our commitment to make our business a great place to work for and to help our Clients make their operations more sustainable.”

Didier Brackenier, Managing Director at EFESO Belgium

“We are honored to have been certified by EcoVadis as it reflects our commitment to make our business a great place to work for and to help our Clients make their operations more sustainable,” celebrates Didier Brackenier, Managing Director at EFESO Belgium.

EcoVadis is the world's largest provider of business sustainability ratings which evaluates how well a company has integrated the principles of Sustainability/CSR into their business and management system. Their methodology is based on international sustainability standards such as the Global Reporting Initiative, the

United Nations Global Compact, and the ISO 26000, covering 200+ spend categories and 175+ countries.

"EFESO Belgium's EcoVadis medal is a testament to our ongoing efforts to embed sustainability

and corporate social responsibility principles into our business practices. We are dedicated to continually improving our sustainability performance, supporting our clients on their journey, and inspiring other organizations to follow suit." Says Marcia de Troyer, VP and Head of the Sustainability practice.
