

Opkey To Present Advances in Test Automation at Ascend and Interact Oracle User Group Conferences in June

Opkey to present speeches and sponsor two prestigious Oracle industry conferences.

DUBLIN, CA, USA, May 31, 2023 /EINPresswire.com/ -- Opkey, the industry leader in test automation for packaged applications, will host speeches and meet with customers and professionals at two major upcoming Oracle-focused [events](#).

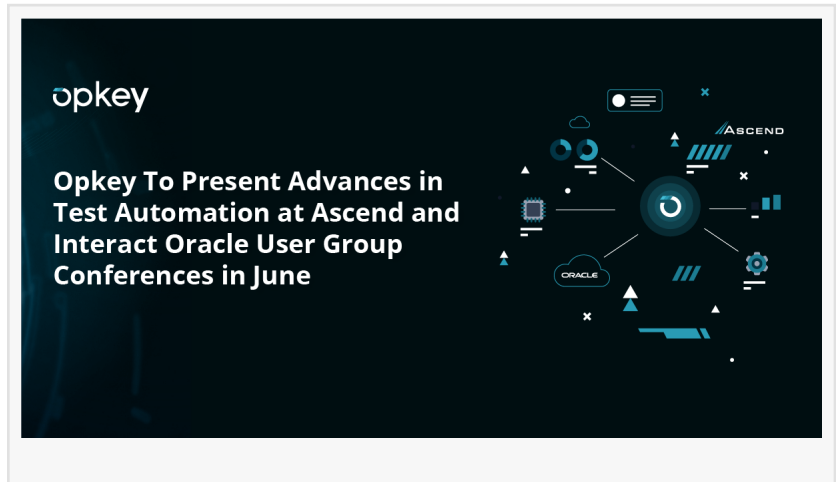

Through these events, Opkey will connect with industry leaders to discuss their Oracle-specific capabilities. These capabilities enable customers to more comprehensive build quality strategies that deliver value for their Oracle applications. These include test discovery, test automation, change impact analysis, and load & performance testing solutions.

[Interact](#), presented by the Oracle Healthcare Industry User Group on June 11-14 in Las Vegas, is the largest meeting of healthcare industry users of Oracle applications, with over 600 healthcare professionals in attendance. Opkey will be sponsoring and can be found at booth #205.

[Ascend](#), held June 11-14 in Orlando, is presented by Oracle user groups Oracle Applications & Technology Users Group and Oracle HCM Users Group, and brings together industry professionals with Oracle customers to discuss and advance new ideas together.

Opkey CEO Pankaj Goel will speak at Ascend on From Bottleneck to Competitive Advantage: How Continuous Testing Helps Ensure Your EBS to Oracle Cloud Migration Is Seamless on Tuesday, June 13, from 10:00 AM - 10:00 AM. VP of Product Solutions Dimpy Sharma will discuss The Essential Blueprint for Regression Testing Your Oracle Quarterly Updates on Monday June 12th at 10:00 AM - 11:00 AM. The Opkey team will additionally be sponsoring and found at booth #403.

Opkey has a proven track record of providing solutions that deliver robust ROI, cut down testing

timelines, and secure ecosystems against changing conditions. See for yourself why Opkey is the highest-rated application on the Oracle Cloud marketplace.

About Opkey

Opkey is accelerating and innovating test automation for web, mobile, and ERP applications. Opkey's no-code platform instantly generates the test cases you need and transforms them into automated test cases in one click, enabling both business users and IT to automate and scale testing efforts. With 30,000+ pre-build test cases across 15+ ERPs and 150+ technologies, and notable mentions by industry Analysts like IDC, Gartner and Forrester, as well as the top rating in the Oracle Cloud Marketplace, Opkey is redefining the future of Test Automation.

Opkey has more than 250 enterprise clients, and is headquartered in Dublin, California, with offices in NYC, Pittsburgh, India, and Australia
