

# TSAOG Orthopaedics & Spine's Dr. Robbins was Featured on SA Live

*Dr. Robbins was honored to share his expertise on ankle replacements and ankle arthritis on KSAT12 News' SA Live.*

SAN ANTONIO, TX, UNITED STATES, May 31, 2023 /EINPresswire.com/ -- San Antonio, TX: Reputable orthopedic and spine practice, TSAOG is proud to announce the appearance of their physician, [Justin Robbins, M.D.](#), on KSAT12 News SA Live. Dr. Robbins is a board-certified orthopedic surgeon, certified by The American Board of Orthopaedic Surgery (ABOS), specializing in foot and ankle surgery.

Dr. Robbins appeared on SA Live on May 19, 2023, to shed some light on ankle replacements and the incredible advancements in treating ankle arthritis. He also shares some valuable tips for people who may be struggling with ankle problems or arthritis but are not ready for surgery just yet. With strong expertise and passion for improving mobility, Dr. Robbins has made a difference in many patients' lives.

Existing and potential patients of Dr. Robbins are invited to [watch](#) the feature on SA Live to see why and how a visit to TSAOG Orthopaedics & Spine may be beneficial to them. Justin Robbins, M.D. practices at the Ridgewood Orthopaedic Center in San Antonio, The Orthopaedic Institute in San Antonio, and Schertz Parkway Professional Plaza in Schertz, Texas.

## About the Company:

John J. Hinchey, M.D. established TSAOG Orthopaedics & Spine and has been a long-time provider of quality [orthopedic care](#) since 1947. TSAOG is on a mission to provide patients with the highest standards of medical care. With this commitment in mind, TSAOG has become the most extensive orthopedic care practice throughout the San Antonio and South Texas areas. TSAOG physicians specialize in diagnosing and treating musculoskeletal system diseases and injuries, including joint replacement and arthritis, sports medicine injuries, arthroscopic surgery, spine treatment, and more. The highly renowned practice also offers additional services, including hand and physical therapy, industrial rehabilitation, worker's compensation, digital imaging, outpatient surgery, and urgent orthopedic care. The TSAOG team of specialists, nurses, and therapists work collaboratively to provide a complete continuum of care for their patients.
