

OneAir Launches All-In-One Flight Deal Subscription Service and Booking Platform Mobile App for iOS and Android Users

The ultra-low cost subscription service sends out flight deal alerts to top destinations worldwide. Members can book travel at wholesale rates.

SAN FRANCISCO, CALIFORNIA, UNITED STATES, June 1, 2023

/EINPresswire.com/ -- Planning a trip can be quite stressful. The average traveler visits 20+ sites to finalize and book a single trip. Jumping from app to app and website to website looking for the best travel offers can leave anyone frustrated.

Explore the world on a budget with AI-Powered OneAir! No more wasting precious time scouring the internet for the best deal. We bring the deals to our members.

To solve this, we created [OneAir](#).

Available for iOS and Android devices, OneAir aims to help travelers enjoy their trip instead of spending needless time worrying about getting the best flight deal. OneAir's intelligent AI-engine scans and tracks millions of fares in real-time to top destinations worldwide. When the system finds an incredibly [cheap flight deal](#), members receive an email and a mobile alert.

Our mission is simple: to make travel affordable and inspire the new generation of travelers to see the world for less."

Rahul Ramadoss

The new, simplified app gives travelers instant on-the-go access to all of our flight deals. Members can choose and book flights based on real-time airline pricing and flight availability. OneAir members also get exclusive access to pre-negotiated private and corporate discounted airfares from virtually every major supplier that is unavailable to

the public.

Imagine strolling the bustling streets of Tokyo, exploring the sights and sounds of Europe, sipping wine in the vineyards of Tuscany, or lounging on the pristine beaches of Bali - all without

breaking the bank.

"The launch of the OneAir mobile app for iOS and Android is the next step in our vision to connect OneAir to every aspect of our members travel journey – starting from inspiration through planning to booking – all in one place." said Rahul Ramadoss, CEO and co-founder, OneAir.

Key app features:

Setup destination deal alerts:
Have a specific destination in mind? No problem! Members can work through their travel bucket list, add their friends and family's home countries and select their preferred departure month(s) to travel. We'll monitor these destinations and send them all the amazing deals we find.

Explore the world on a budget:
Our Explore the World tool is a passport to adventure. Members can simply set their flight budget, destinations, and travel months.

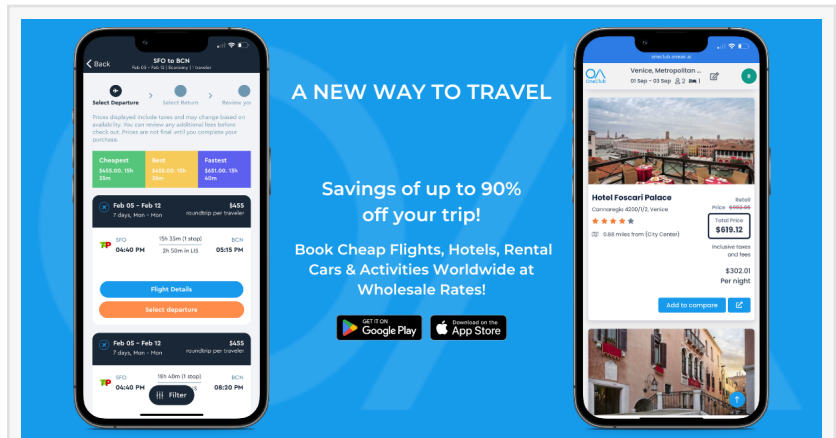

OneAir will show them all of the amazing destinations that they can fly to for that price or even less. No stress, no fuss –It's the easiest way to find a new adventure.

Introducing OneClub Exclusive:

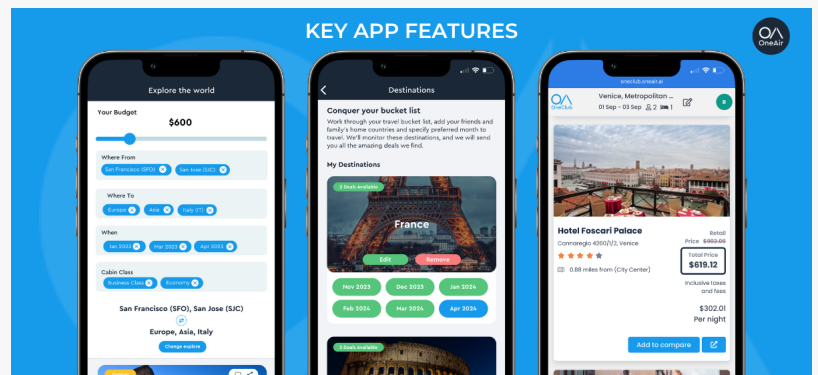

With OneClub, now members can [book hotels, rental cars and activities at wholesale rates!](#) We negotiate the best deals so that our members can sit back, relax, and plan their next big adventure.

Members can enjoy deals on their favorite hotels for up to 60% off, rental cars for 25% off and activities for 25% off. Compare our prices to major travel websites and even the hotel's direct website. We're confident that our members will save money with every search. OneAir is a one-stop shop for all travel needs.

Watch the membership pay for itself through the first booking. No more hunting around for coupon codes and sales.

Book cheap flights, hotels, rental cars & activities worldwide at wholesale rates. No more hunting around for coupon codes and sales. OneAir is a one-stop shop for all travel needs.

Discover the world in a whole new way! Members can book just one trip and save 10x their subscription.

"More than anyone, travelers need mobile tools that make it simple and easy to find and book trips whenever and wherever they are. Our iOS and Android apps are designed to help travelers get inspired, review options and purchase flights, hotels, rental cars, activities and more from their smartphones. Since the launch of our OneAir travel web app, we have seen tremendous adoption from travelers. The launch of our iOS and Android apps is the next step in expanding our footprint." said Rahul Ramadoss.

The OneAir app is available to download for free on iOS and Android.
