

# Hiland Dairy Celebrates World Milk Day and National Dairy Month by Providing Milk to 15 Area Feeding America® Food Banks

SPRINGFIELD, MISSOURI, UNITED STATES, May 30, 2023

/EINPresswire.com/ -- On June 1, Hiland Dairy is kicking off World Milk Day and National Dairy Month by donating to 15 Feeding America® network food banks across a six-state area. The food banks will receive 19,380 quarts of Hiland Dairy milk, providing 77,520 eight-ounce servings.

The donation also marks Hiland's 85 years of providing delicious, nutritious milk and dairy products to American families. Hiland Dairy and its farmer-owners are working hard to produce safe, nutritious dairy and get it to those in need. World Milk Day on June 1 and National Dairy Month in June provide an opportunity to amplify that message.

The donations have been coordinated with area food banks and will commence at Hiland's plant sites on Thursday, June 1, 2023, with most of them starting at 8 am.
