

Dapps.co Unveils QuillAudits: Revolutionizing Decentralized App Security and Efficiency

MIAMI, FLORIDA, UNITED STATES, May 30, 2023 /EINPresswire.com/ -- Dapps.co, the leading decentralized app store for Web3 applications, is excited to announce its highly anticipated product showcase featuring QuillAudits. This groundbreaking event will showcase the innovative capabilities of QuillAudits, a smart contract security audit platform developed by QuillHash Technologies.

The showcase will take place on May 30, 2023, at 5 PM IST on the Dapps Discord server. To register yourself for the Dapps Startup Showcase, kindly go through this link : <https://linktr.ee/Dappsco>.

QuillAudits is a comprehensive smart contracts security audit platform that leverages advanced automation tools to meticulously analyze smart contracts. By focusing on both security vulnerabilities and the efficiency of the code, QuillAudits ensures that decentralized applications built on its platform adhere to the highest security standards, enabling users to trust and utilize dApps with confidence.

"We are thrilled to unveil QuillAudits during our upcoming product showcase," said Ms. Tarusha Mittal, COO and Co-Founder at Dapps.co. "The collaboration between Dapps.co and QuillHash Technologies represents our commitment to revolutionizing the decentralized application landscape by prioritizing security and efficiency. QuillAudits will empower developers and users alike, enabling them to interact with dApps with enhanced trust and peace of mind."

The Dapps Startup Showcase serves as an opportunity for developers, entrepreneurs, and industry enthusiasts to witness firsthand the transformative capabilities of QuillAudits. By participating in the showcase, attendees will gain valuable insights into the innovative features and functionalities of this revolutionary security audit platform.

The banner features the Dapps logo in the top left, a calendar icon with the date '30TH MAY 2023' in the top right, and the text 'STARTUP SHOWCASE PRESENTS QuillAudits'. Below this, there is a 'REGISTER NOW' button, a QR code, and a Discord icon with the time '5:00 PM IST'. On the right side, there is a portrait of Prathamesh Bhaskar, identified as 'GROWTH & PARTNERSHIPS MANAGER'.

"We are thrilled to be partnering with Dapps.co for this highly anticipated product showcase," said Preetam Rao CEO & Co-Founder, QuillAudits. "QuillAudits represents a significant step forward in ensuring the security and efficiency of decentralized applications. Our platform's advanced automation tools enable precise smart contract analysis, addressing security vulnerabilities and code efficiency. By participating in the Dapps Startup Showcase, attendees will witness firsthand the transformative potential of QuillAudits in enhancing trust and confidence in the dApp ecosystem. We look forward to showcasing the innovative capabilities of QuillAudits and paving the way for a more secure and reliable decentralized future."

About Dapps.co:

Dapps.co is the leading decentralized app store dedicated to promoting the adoption of Web3 applications. By curating and featuring cutting-edge dApps, Dapps.co aims to provide a seamless user experience while prioritizing security and efficiency. With its commitment to the decentralized revolution, Dapps.co continues to be a driving force in shaping the future of decentralized application development.
