Get Naughty Summary:

Get ready to get naughty for the holidays! Every holiday season good little children wait for Santa to bring them presents. Have you ever wondered what the bad children have in store for them? Why Krampus, of course! While Santa is wasting time with those goody-two-shoes, Krampus visits the naughty boys and girls, putting coal in their stockings or worse!

Get Naughty combines holiday satire and dark humor with rocking songs, sexy cabaret style dance numbers and even a burlesque number or two for the spiciest dose of holiday cheer possible. Meet the oft misunderstood Krampus, Santa's evil counterpart who reigns over a different kind of workshop in the south pole. One filled with kid sized torture chambers, a coal powered sleigh and some very naughty elf like creatures we call Switches. The time has come for Krampus to give up the throne to his heir Junior, who has been living in sweet ignorance of his birthright with his bewitching mother Fantasma in the mortal realm. In a "Santa Clause" style fish out of water story the bumbling mama's boy, Junior struggles to fit in and channel his evil side as he takes over the meanest job around. Meanwhile there are some particularly bad kids who have grown tired of getting coal every year and plan a Home Alone style obstacle course to catch Krampus in the act and stop him from stealing children on Christmas Eve. Will Junior prevail against Gen Z or will the bad kids finally win!
