

Window World of New Hampshire Wins First-Class Windows Award

MANCHESTER, NEW HAMPSHIRE, USA, May 31, 2023 /EINPresswire.com/ -- Window World of New Hampshire is pleased to announce that they have won a first-class window award from the Good Housekeeping Seal Home Renovation Awards 2022. This prestigious award was given to the window replacement company for their 6000 [Double-Hung Windows](#).

Window World of New Hampshire is recognized for helping homeowners improve their properties with the best window replacement options to enhance their home's value, energy efficiency, and appearance. Good Housekeeping conducts more than 5,000 hours of comprehensive testing to determine the winners of these prestigious awards. The 6000-series of double-hung vinyl windows are recognized for their superb weather resistance and low-emissivity coatings to improve energy efficiency. The windows reflect heat while letting light into homes, allowing homeowners to enjoy optimal natural lighting without increasing their cooling bills. Good Housekeeping found these windows to be highly durable and to meet their energy efficiency claims. These windows are available in various configurations, colors, and features.

Window World of New Hampshire aims to help homeowners improve their homes with [energy-efficient windows](#) that decrease energy bills and increase the home's value and curb appeal. By earning the first-class window award, they are showing their customers that they are a leader in the industry, providing exceptional exterior home remodeling services.

Anyone interested in learning about the 6000-series double-hung windows can find out more by visiting the Window World of New Hampshire website or calling +1 (603) 935-9878.

About Window World of New Hampshire: Window World of New Hampshire is an [exterior home remodeling company](#) providing customers with replacement windows, doors, siding, and more. Their team works closely with homeowners to help them choose the best solutions to improve

their homes' curb appeal, property value, and energy efficiency. The company is nationally recognized and locally owned, giving customers confidence in their services.
