

Telco Systems' Edgility Awarded Product of the Year 2023 by MSP Today

Telco Systems' Edgility, Honored for Exceptional Innovation in Edge Computing

MANSFIELD, MA, UNITED STATES, May 31, 2023 /EINPresswire.com/ -- [Telco Systems](#), the leading provider of vendor-neutral hybrid edge compute solutions, is proud to announce that TMC, a global, integrated media company, has named [Edgility](#) as a 2023 MSP Today Product of the Year Award winner.

The 2023 MSP Today Product of the Year is awarded on merit and is a clear testament to Edgility's industry-leading Edge Computing solutions, which have proven instrumental in enabling MSPs to thrive in today's rapidly evolving technology landscape. TMC, a globally recognized media company, carefully evaluated numerous solutions in selecting Edgility as the winner. The judging process involved a comprehensive review of Edgility's use cases for edge computing, affirming its superiority among the competing products.

Edgility, [a platform for edge computing](#), empowers MSPs to efficiently manage and optimize their business customers' networks, enabling seamless connectivity and enhanced performance. With its robust feature set and intuitive interface, Edgility enables MSPs to streamline their operations, reduce costs, deliver exceptional customer service and eliminate the complexity of managing a spectrum of edge devices across thousands of distributed sites connected by any network to any data center or cloud provider.

"We are honored to receive the 2023 MSP Today Product of the Year award for Edgility," said Telco Systems CEO Ariel Efrati. "This recognition is proof of our team's dedication to developing innovative solutions that address the evolving needs of MSPs as they undergo the transformation to the edge. Edgility empowers service providers to deliver scalable, agile, and secure networks, ultimately helping them drive business growth and exceed customer expectations. Telco Systems remains at the forefront of technological advancements in the

telecommunications industry. Our commitment to innovation, customer satisfaction, and driving the success of MSPs has been widely recognized. The 2023 MSP Today Product of the Year award further solidifies Telco Systems' position as a trusted partner to the MSP community.”

“It gives me great pleasure to honor Telco Systems as a 2023 recipient of TMC’s MSP Today Product of the Year Award for their innovative platform, Edgility,” said Rich Tehrani, CEO TMC. “Our judges were very impressed not only with Edgility’s vision of simplifying the operations, and life-cycle management of edge computing deployments at scale, but also with Telco Systems’ Channel strategy throughout the MSP community.”
