*National Student Clearinghouse Partners with N2N Services to Provide Real-time Transcript Integration to Customers*

DULUTH, GEORGIA, USA, June 1, 2023 /EINPresswire.com/ -- N2N Services, Inc., a leading platform provider for integrating higher education systems, announced a strategic partnership with the National Student Clearinghouse today. Through this partnership, the National Student Clearinghouse will open its transcript ordering applications to N2N's turnkey cloud integration platform, [Illuminate](#), to provide real-time integration options to its higher education customers.

The exciting new partnership between N2N Services and the National Student Clearinghouse will simplify the level of effort for institutions to implement the Clearinghouse's Transcript Ordering service. After working together for over a year, N2N and the Clearinghouse have built a real-time transcript ordering and delivery solution that enables users of N2N's Illuminate platform to easily integrate into the Clearinghouse's Transcript Ordering service, reduce their administrative burden and delight their students with faster processing. N2N and the Clearinghouse are now seeking an exclusive small group of interested institutions, which are already active on the Illuminate platform, to be an early participant in the program to onboard early and influence the future of the integration service.

N2N's Illuminate enables partners to deliver integration solutions quickly and easily. Through N2N's platform, higher education customers can connect their ERP systems, including Ellucian™, Peoplesoft®, Workday™, and Jenzabar®, to Clearinghouse Transcript Ordering applications for real-time integration or data syncing. More information on Clearinghouse transcript services can be found at [studentclearinghouse.org/transcriptservices](https://studentclearinghouse.org/transcriptservices).

"The National Student Clearinghouse continues to respond to the needs of our school clients for efficiency and simplicity in implementing advanced solutions. This partnership with N2N will help greatly ease and simplify the implementation of our industry-leading transcript solution," said Rick Torres, CEO and President of the National Student Clearinghouse.

"N2N is pleased to partner with the National Student Clearinghouse to enable real-time data integration. We're confident that National Student Clearinghouse's application integration,

enabled by N2N's platform, will provide the real-time and interactive solutions needed to enhance institutional efficiencies and support comprehensive student success," explained Kiran Kodithala, CEO and founder of N2N Services Inc. "N2N is committed to collaborations, such as with the National Student Clearinghouse, which have a direct impact on student services and institutional effectiveness."

Higher education institutions can request to connect with their National Student Clearinghouse rep regarding Clearinghouse transcript services at [studentclearinghouse.org/transcriptservices/contact](https://studentclearinghouse.org/transcriptservices/contact).

### About National Student Clearinghouse

The National Student Clearinghouse, a nonprofit formed in 1993, is the trusted source for and leading provider of higher education verifications and electronic education record exchanges. Besides working with nearly 3,600 postsecondary institutions, the Clearinghouse also provides thousands of high schools and districts with continuing collegiate enrollment, progression, and completion statistics on their alumni.

Education partners throughout the nation trust the National Student Clearinghouse because they know [we take our commitment to student privacy very seriously](#). We have maintained the confidentiality and privacy of the student records in our care since our beginning in 1993. The Clearinghouse is scrupulous in its concern for student privacy and compliance with the Family Educational Rights and Privacy Act (FERPA), which protects students' privacy rights in their education records.
