

John Grindley Elevated to Head of Workforce Development and Special Projects at Straight Up Technologies

Grindley to take on expanded role with Straight Up Technologies

SAN FRANCISCO, CA, UNITED STATES, June 1, 2023 /EINPresswire.com/ -- Straight Up Technologies, a leading provider of innovative solutions in the connectivity industry, is excited to announce the promotion of John Grindley to the position of Head of Workforce Development and Special Projects. In his expanded role, John will oversee a diverse range of responsibilities, including contractor management, talent acquisition, new business development, educational program development, apprenticeships, internships and a focus on Company programs such as interdepartmental cross training.

With an extensive background in the technology sector, production in entertainment and starting non-profit organizations John has a demonstrated track record of success. He has proven himself as a valuable asset to Straight Up Technologies to go along with the experience he brings from his past endeavors. John's exceptional leadership skills, strategic mindset, and commitment to excellence make him an ideal fit for this new role, where he will be instrumental in driving the company's workforce development and special projects to new heights.

"We are thrilled to promote John Grindley to the Head of Workforce Development," said Carlos Herrera, COO of Straight Up Technologies. "This role is one of the most important positions at our company as SUT is growing at a fantastic pace. John not only understands the vision of the future workforce, but he believes that the workforce is the future. His proven track record, passion for cultivating talent, and commitment to team growth will contribute significantly to our continued success at Straight Up."

As the Head of Workforce Development, Grindley will collaborate closely with department

John Grindley

leaders to identify skills gaps, develop training initiatives, and enhance employee engagement and retention. He will leverage his expertise in talent acquisition and performance management to ensure that Straight Up Technologies remains at the forefront of industry standards.

"I could not be more excited to lead our workforce into new heights through new and innovative initiatives that our industry demands," said John Grindley. "Straight Up Technologies continues to invest in its employees by providing the resources to sustain our growth opportunities."
