

Mobility City Holdings Inc Celebrates the Second Anniversary of Helping Disabled Ohioans from its Columbus Franchise

Don Gilbert is the owner of Mobility City of Columbus OH. his store and technicians provide mobility equipment repair, rental, and sales to Greater Columbus.

BOCA RATON, FL, US, June 14, 2023 /EINPresswire.com/ -- Don Gilbert's franchise journey began in 2020. He had two criteria for choosing the right franchise: it had to be a business that would allow him to earn enough money to pay his bills, and it had to be a business that he could feel great about at the end of each day, knowing that he had done right by his customers.

Don focused on the home health care sector and was attracted to Mobility City. The company garnered excellent ratings from its franchisees, is the nation's leading provider of mobility solutions, and offers a wide range of products and services. After careful research, Gilbert chose a Mobility City franchise where he knew he would be able to make a real difference in the lives of his customers.

"Don Gilbert's franchise was the first Mobility City to be [serving greater Columbus OH](#). Opened just two years ago in the suburb of Hilliard, this owner's passion is totally aligned with the company philosophy of helping the 68 million people with one or more disabilities improve their quality of life," said Diane Baratta, CEO, Mobility City Holdings Inc. "We are so proud of Don and all he has accomplished in such a short time. He is truly an inspiration to us all," said Diane.

"Gilbert's franchise journey has been rewarding, as he quickly built a successful business that met his two criteria," said Vincent Baratta, COO, [Mobility City Holdings, Inc.](#) "In addition to the showroom, Don's [technicians make house calls](#) to people in Central Ohio who can't come to his

location. He serves customers near and far from his Hilliard showroom. We expect all network owners to offer the same house call service to customers," added Vincent.

"Don recently purchased a second franchise territory in Hilton Head, SC, expanding on his goal of helping people get to the mailbox, roll through the mall, and stop in at a convenience store. We are excited to see Don Gilbert's success and expect even greater things as he continues his growth," said Diane and Vincent.

Gilbert's advice to others considering a franchise is to carefully research the industry and the specific franchise opportunity. "Make sure it is an industry that you are passionate about and that you feel you can make a difference in. And most importantly, make sure it is a business that you can see yourself being happy with for many years to come."
